#Jenny

Finally I get this ebook, thanks for all these I can get now!

#Rio

Cool! I'am really happy

#Markus Jensen

I did not think that this would work, my best friend showed me this website, and it does! I get my most wanted eBook

#Hun Tsu

wtf this great ebook for free?!

#Che Salsa

My friends are so mad that they do not know how I have all the high quality ebook which they do not!

#Diego Butler

so many fake sites. this is the first one which worked! Many thanks

The screenshot shows the 'exam-labs' website interface. At the top, there are navigation links for 'All Exams', 'Blog', 'Log Out', and 'ADMIN'. Below the navigation is a search bar and a 'VIEW ANSWER' button. The main content area displays a question titled 'Question No : 10 - Topic 1'. The question text reads: 'You administer a Microsoft SQL Server 2012 server. When transaction logs grow, SQL Server must send an email message to the database administrators. You need to configure SQL Server to send the email messages. What should you configure?'. Below the question are four multiple-choice options: 'A. SQL Mail', 'B. An Extended Events session', 'C. Alerts and operators in SQL Server Agent', and 'D. Policies under Policy-based Management'. A 'VIEW ANSWER' button is located at the bottom of the question area. At the very bottom of the screenshot, there is a footer with a 'NEXT' button, 'Page 1 out of 18', and information about the exam: 'Showing of 173 Questions', 'Exam Version: 8.5', and '40 Questions per page'.
